# Ajinkya Khanapurkar

UX/UI Designer

Ajinkyakhanapurkar19@gmail.com +91 7489567407 Portfolio LinkedIn

UX design student creating clear digital experiences through research, interaction design, visual systems and AI-assisted prototyping.

## EXPERIENCE

**UX Design Intern | Pristine Forests** Jun 2026 - Present

- Designed e-commerce experiences through UX research, competitor analysis, information architecture, wireframes and high-fidelity UI.
- Created GSC microsites for CRM, ERP, Content Hub, Hiring Portal and Office OS, with clear user journeys and cohesive visual systems.
- Explored 3D storytelling for Artist Studio; collaborated with developers to refine designs for implementation.

**Freelance Photographer** Jan 2023 - Present

Produced portrait, street, lifestyle and event photography for individuals and brands, from concept and location scouting to lighting and composition.
